7. D	ECLARATION BY EA	ARTHWORKS CONTRACTOR		(Please read carefully)
The	Contractor hereby de	clares and confirms as follows –		
(a)	We are the contractor	or that will be carrying out the act	ual earthworks notified abo	ove.
(b)	We have read and understood the requirements stated in the document issued by StarHub Ltd ("Licensee") and made available on the Licensee's website titled "Requirements to be Complied with by Earthworks Contractors for the Prevention of Damage to Telecommunication Cables" (the "Licensee's Earthworks Requirements").			
(c)	We undertake to strictly comply with the Licensee's Earthworks Requirements in relation to the proposed earthworks. Without limitation, we confirm that –			

- (ii) we have procured the Licensee's service layout plan;
- (iii) we have engaged a Licensed Telecommunication Cable Detection Worker ("**TCDW**") to carry out cable detection work to locate the Licensee's telecommunication cables;
- (iv) we have ensured that the locations and routes of the Licensee's telecommunication cables have been physically marked out by the TCDW throughout the entire vicinity of the proposed earthworks in an accurate and proper manner; and
- (v) we have briefed all contractors and personnel at the work site, including the party who is instructing or supervising us in the performance of earthworks (if any), on the locations and routes of the Licensee's telecommunication cables and the measures to be taken to prevent damage to the cables.
- (d) We will arrange for the Joint Site Meeting to be conducted with the Licensee and the TCDW to verify the locations and routes of the Licensee's telecommunication cables on-site.
- (e) We will be carrying out the manual digging of trial holes to **positively locate and physically expose** the Licensee's telecommunication cables at the proposed trial hole positions which are indicated in the TCDW's

<sup>\*</sup>Delete whichever not applicable.

cable detection report attached to this NCE (subject to confirmation of the exact trial hole positions which we are to dig pursuant to the Joint Site Meeting).

- (f) Upon completion of the trial holes, we will arrange for the conduct of the Joint Trial Holes Inspection with the Licensee and the TCDW to verify that we have ascertained the exact location of all the Licensee's telecommunication cables throughout the entire vicinity of the proposed earthworks.
- (g) We shall not proceed with the proposed earthworks until we receive the "Final Approval for Commencement of Earthworks" from the Licensee.

## 8. FEES

A fee of \$321.00 (every 1.5km), inclusive of 7% GST will be charged for each NEW Notice for Commencement of Earthworks application processed by StarHub Ltd.

For NCE extension, a fee of \$21.40, inclusive of 7% GST will be charged for any request for NCE extension.

Please attach and submit the following together with the NCE:

- (a) the latest version of the TCDW's cable detection report and the Licensee's service layout plan;
- (b) the exact positions and number of proposed trial holes that will be dug by the Contractor\*, to be clearly indicated and marked up on the TCDW's cable detection report; and
- (c) the works schedule for the proposed earthworks.

\*The proposed trial holes -

- shall be positioned on and along the routes of the telecommunication cables indicated in the TCDW's cable detection report;
- shall, where the Licensee's service layout plan and the TCDW's cable detection report indicate the route of
  the cables to be running in a straight line, be spaced at intervals of no more than 30m apart for such
  segments of the cables;
- shall, where the Licensee's service layout plan and the TCDW's cable detection report indicate the route of
  the cables to be running in a curved or meandering line, be spaced at intervals of no more than 10m apart
  for such segments of the cables; and
- shall be spaced at appropriate intervals of no more than 30m apart (and where curved or meandering, no
  more than 10m apart) along the route of the telecommunication cables throughout the entire vicinity of the
  proposed earthworks.

<sup>\*</sup>Delete whichever not applicable.
